

Black Family Technology Awareness Week 2013!

“Seniors Health & Technology Day”

Monday, February 11, 2013

11:00 a.m. – 1:00 p.m.

Google Fiber Space
1814 Westport Road, Kansas City, MO

Telemedicine Workshop and Free Health Screenings!

Provided By:

GOOGLE FIBER (HOST)

In partnership with:

K.U. MEDICAL CENTER

Attend our Health and Technology Day for seniors and learn about the LATEST TECHNOLOGIES for healthcare and receive your free personal health screening!

Telemedicine is the ability to provide interactive healthcare utilizing modern technology and telecommunication and is an invaluable tool in Healthcare!

KU Medical Center (via physicians/staff from the Landon Center on Aging and the KU Alzheimer's Disease Center) will conduct the following three types of screenings at the event:

- Gait and Falls Risk Assessment (including education on reducing the risk of falls)
- Memory Screening
- Grip Strength Assessment

The Black Family Technology Awareness Association invites your seniors in the community to participate in this free and informative event!

Lunch will be provided by Google Fiber!
